

## Forgeries of 1924 (January) King Hussein Visit overprint.

Genuine overprint

The genuine overprint can be found in black or gold on black.

## Forgery type 1

Plate size	Not known
Plate construction	Possibly stereotype
Different settings	Not known.

This forgery closely resembles the genuine but the text is thicker and the shape of some characters differs. On the very few examples seen of this forgery, the overprints are very similar and could possibly be described as identical, suggesting a stereotype plate rather than moveable type.
